

## 2011 Summer Music Classes

Learning music this summer has never been so much fun. We offer workshops to 7 through 17 year olds. Join us for a week-long music workshop of your choice or combine your workshops with one of our music theory or composer classes for the best experience. Create your own camp by signing up for 3 or more classes. Our instrument classes are held with a low teacher to student ratio.

Visit us online at [www.majorscales.net/camps2011](http://www.majorscales.net/camps2011) to download a registration form for your future musician.
